RE: Crystal Lake Drive Community Meeting

Dear Property Owner,

The Washington County Board of County Commissioners is excited about improvements coming to Crystal Lake Drive thanks to funding from Specific Appropriations through the Florida Legislature. Planned improvements include addressing drainage issues and paving the roadway.

However, before construction may begin on Crystal Lake Drive, if needed the County must secure any necessary temporary right-of-way construction easements from property owners along Crystal Lake from Amethyst Lane to the County Boat Ramp. A very important **Community Meeting** to discuss the improvements and needed right-of-way will be held on **Tuesday, August 29** at the **Washington County Government Offices** at **6:00 p.m.** The Washington County Government Offices are located at 1331 South Boulevard, Chipley, Florida 32428.

Washington County Engineers from Dewberry and other County staff will be present to answer any questions you may have regarding the plans and how they relate to your individual properties. If you are unable to attend the meeting, please contact the County's Grants Coordinator, Samantha Arroyo, by calling 850-326-1417 or email Sarroyo@washingtonfl.com. We know that many property owners reside out of town or state. We will be happy to answer any questions you may have via telephone or email.

We thank you for your cooperation and look forward to a much improved Crystal Lake Drive.

Sincerely,

Allen J. Massey  
County Administrator  
Washington County BOCC
