Addendum No. 1

Date: May 21, 2026
To: All Bidders
From: Washington County Board of County Commissioners
Project Name: Generator Maintenance and Repair
Project Number: RFQ 2026-02

Answers to Questions are as follows:

1. Wanting to ask if the bidders for the generator quotes are allowed to go to the units and take pictures and get the engine info from the units? Since several of the units have changed I would like to get the engine info and pictures of each generator.

Response: Potential bidders may visit the generator sites as long as a Washington County's representative is present. You can coordinate and schedule visit date and time directly with Billy Brock at billybrock@wco.us.
